PRODUCT GUIDE Intelligence in Clean

MACHINE WAREWASHING

TEMP DET

K04

4/1 gallon - 5663866

K06

5 gallon - 5663871

This product is a non-chlorinated liquid warewash detergent designed for all temperature warewashing, fortified with special water conditioners and grease emulsifiers to tackle the tough jobs. It is very economical, yet strong enough for most applications.

TEMP RINSE

K05

4/1 gallon - 5636391

K07

5 gallon - 5636366

This product is designed to lower water surface tension, providing clean, spot-free dishware in all temperatures. It will do an effective job in most water conditions eliminating the worry of water mineral spots remaining on the dishware.

MECHANICAL WAREWASH DETERGENT

K51

2/3100 mL - 5635814

This product is a super-concentrated, non-chlorinated, machine warewashing detergent. It is designed to provide sparkling clean dishware in all water conditions and can be used in both high and low temperature dishwashing applications. Mechanical Warewash Detergent provides minimum packaging and maximum performance.

MECHANICAL WAREWASH RINSE

K52

2/3100 mL - 5636260

This product is a super-concentrated machine warewashing rinse. It is designed to provide spot-free dishware in all water conditions and can be used in both high and low temperature dishwashing applications. Mechanical Warewash Rinse provides minimum packaging and maximum performance.

FAILSAFE SW

K91

4/8 pound - 5637182

This product is a high quality chlorinated warewashing concentrate that is safe, simple and convenient to use. It is designed to be used in soft to medium water conditions and provides stain removal and no solid waste.

MANUAL WAREWASHING

AMBER SUDS

K08

5 gallon - 5636331

This product is a fine, economical manual pot and pan detergent designed for institutional use, fortified with the high suds, grease cutting components that make up the most expensive of products, yet costs much less. It is mild to the hands and has a pleasant lemon scent.

ORBIT

K12

4/1 gallon - 5637158

This product is a top quality, lemon scented liquid detergent designed for all food service and manual cleaning. It is the finest liquid detergent available for dishes, glasses, silverware, pots, pans and utensils, is kind to the hands, works well in hard or soft water and is a fine grease cutter. It will give long lasting suds, excellent soil suspension and rapid free rinsing for fast, brilliant drying.

PHENOM X POT & PAN DETERGENT

K53

2/3100 mL - 5636286

This product is a highly concentrated, superior performing product. At 1 ounce to 15 gallons of water, Phenom-X will quickly cut through the heaviest amounts of grease and fat while providing long lasting suds. The advantage to using this product is that it will provide food service personnel a quick, yet extremely efficient way to wash heavily soiled dishware. The real value associated with using Phenom-X is the long term labor savings and cost reductions realized with every wash.

PRESOAKS

SOAK-IT

K03

4/4.1 pound - 5637449

A specially formulated compound that removes tough soils from flatware featuring an alkaline/surfactant blend. This product penetrates soils quickly and has detarnishing capabilities, to improve the overall appearance of silverware.

LIQUID SOAK-IT

K02

4/1 gallon - 057338

This is a specially formulated compound that has an alkaline/surfactant blend. It removes tough soils from flatware and penetrates soils quickly. This product has detarnishing capabilities to improve silverwares appearance.

UTENSIL PRESOAK

K54

2/3100 mL - 5635785

This is a super-concentrated product designed for presoaking silver and stainless steel utensils. At 1 ounce to 5 gallons of water, its excellent soil-penetrating and softening abilities quickly loosen dried-on or hardened foods.

ALL PURPOSE LIQUID 707

K10

4/1 gallon - 5636631

This product is a fine general purpose cleaner and degreaser for all maintenance needs. It is a pleasantly scented, economical and easy to use liquid that will quickly clean greasy soils, atmosphere grime, and everyday dirt. It removes soils without great effort. It is also an excellent detergent for pressure-spray cleaning operations. It is ideal for cleaning hoods, fans, deep fat fryers and similar items. This product is rugged enough for industrial maintenance and cleaning applications.

DIG

K11

4/1 gallon - 5636737

This product is one of the finest products of its type on the market today. Its powerful grease removing components work quickly, without the use of abrasives that can scratch valuable equipment. Completely cleans surfaces and eliminates the cause of rancid odors and stale taste. This powerful product can also be used to clean deep fat fryers and hoods.

LIME-OUT

K13

4/1 gallon - 5637107

This product is an acid blend designed for rapid lime and mineral soil removal. It provides quick penetration of lime soils and free rinsing for exceptional results. It is an excellent choice for the recirculation cleaning of dishmachines. This non-fuming acid concentrate may also be used to remove lime or mineral films on other kitchen equipment or utensils. It can be used at any concentration depending upon the severity of the lime being removed.

QUARRYGRIP

K23

4/1 gallon - 5636307

This product serves as both a monthly traction treatment and a daily maintenance cleaner designed especially for quarry tile and concrete surfaces. The patented technology restores surfaces to their original state where they can provide the ultimate slip resistance (Coefficient of Friction) in the toughest institutional settings. As a daily maintenance cleaner, QuarryGrip's unique ingredients remove food soils and sequester soap scum, the leading cause of slippery floors.

FLOORBAC™

K18

4/1 gallon - 3041220

Floorbac is a super-concentrated special type of floor cleaner that uses surfactant cleaning technology combined with enzyme producing bacteria. The result is a one step process which effectively cleans the top surface of the floor, while leaving behind grease eating bacteria that digest build-up in porous tiles and grout.

QUICKLINE™ TKO™

K35

6/32 ounce - 613202

TKO™ totally knocks out grease and penetrates burnt-on, built-up food soils fast and effectively. Use TKO on ovens, grills, hoods, fryers, stovetops and any other surface where grease and grime are a problem. Its thixotropic formula produces a thick clinging foam, which increases contact time on vertical surfaces while reducing unpleasant airborne mist and overspray. TKO is phosphate free.

SHURGUARD PLUS

K26

4/1 gallon - 057602

This product is a quat based concentrated product with long lasting effectiveness. Excellent rinsability and fast drying. Mild to hands and economical to use. "No-Rinse" formula saves time and labor. Shurguard Plus is an EPA registered product.

SANITIZER E.S.

K24

4/1 gallon - 057443

K28

5 gallon - 057445

Sanitizer E.S. is an effective sanitizer for all food contact surfaces when cleaned and processed through an approved mechanical warewash operation. This product is dispensed directly into the final rinse section of any automatic dishmachine and meets all EPA regulations when used in accordance with the label. A chlorine-based sanitizer that can be used on pots, pans, glasses, silverware, cooking utensils and other surfaces commonly cleaned via the mechanical warewash operation. Sanitizer E.S. is an EPA registered product.

SANIPHOR No. 240

K58

4/1 gallon - 057241

This product is a concentrated, no-rinse, acid based formula that controls mineral film. It is economical to use and will save time and labor. It is mild to the hands. Saniphor No. 240 is an EPA registered product.

HANDCARE

HANDY PINK

K25

4/1 gallon - 5637027

This product is a mild hand soap designed for regular dispenser use. This pleasantly scented lotionized liquid completely cleans the hands, leaving them soft without irritation or offensive after odors. It is the economical choice for all hand care needs.

INDULGENCE FOAMING HAND SOAP

K16

4/1000 mL - 4327414

This product is a concentrated formula that contains aloe and vitamin E. It has a pleasant fruity floral scent. It will leave your hands smelling fresh, soft and smooth. This product has an extremely low use cost.

INDULGENCE FOAMING HAND SANITIZER

K17

4/1000 mL - 4493341

This product is alcohol based formula with emollients. It is quick drying and needs no water or towels. It will destroy harmful bacteria and used often without skin irritation.

GREEN SEAL

SURETY™ ALL PURPOSE CLEANER

H02

4/1 gallon - 4421363

This product can be used for daily cleaning of all water washable, hard surfaces, including floors. This product is ideal for cleaning offices, restrooms, kitchens, health care facilities, activity rooms, desks, employee lounges, restaurants and shop floors. It can be used in a mop and bucket or spray and wipe application.

SURETY™ GLASS & SURFACE CLEANER

H03

4/1 gallon - 4421443

This product is a pH neutral and non-corrosive glass cleaner. It can be used on glass as well as many other water washable surfaces such as chrome, stainless steel, sinks, counter tops and bathroom surfaces. It leaves surfaces streak free, wipes clean and dries quickly.

SURETY™ NEUTRAL CLEANER

H04

4/1 gallon - 4422024

This product is formulated with a detergent system that provides the performance of a general purpose cleaner, without alkalinity or solvents. This product is pH neutral so it won't damage or dull the shine of the floor finish. This product is safe for use on most floor types and washable surfaces. It does not require rinsing on non-food contact surfaces and can be used in buckets, spray bottles or in automatic scrubbing machines. It is a low foaming product.

SURETY™ HYDROGEN PEROXIDE G.P. CLEANER

H05

4/1 gallon - 4422024

This product is a unique, hydrogen peroxide, fortified product that is one of the most versatile general purpose cleaners you can buy. Virtually all of your daily spray and wipe cleaning can be done with one product! From glass cleaning to carpet spot remover, this product has a variety of uses when used at different dilutions. Designed with a powerful surfactant, it penetrates and lifts tough soils without harsh solvents or alkalis. With a neutral pH this product is very user friendly.

IC Solutions offers a full partnership approach to understanding each unique requirement of our customers. We carefully listen to the needs and desires to develop a comprehensive program that delivers results. These results reduce cost and care for the environment!

The **IC Solutions** team offers intelligence in clean, with over 100 years of combined experience in serving Chicagoland's finest restaurateurs, hoteliers and healthcare operators. We are dedicated to delivering a hassle-free program allowing you, the customer, to focus on your most important objective: Growing Your Business!

IC Solutions is committed to delivering its Service Excellence program at the lowest possible overall cost in the industry.

IC Solutions will deliver on this commitment through: employee training programs, preventative maintenance service programs, state-of-the-art dispensing systems. We also have a full Dishmachine Sales and Lease Program available.

Let **IC Solutions** help you achieve excellence in your business!
